

We have vision

Social Vision: business at its best

Triodos Bank and Social Enterprise UK in association with Social Enterprise Live and the regional social enterprise networks, run an annual photography competition to find the images that best capture the work of social enterprise. Here are the winning pictures that capture a vision of business at its best, transforming lives through enterprising ideas and solutions.

Triodos Bank offer traditional banking services and competitive savings accounts, providing an ethical return.

Pembrokeshire Local Action Network for Enterprise and Development (PLANED) is a community-led development organisation which promotes sustainable communities, tourism and agriculture in the county.
www.planed.org.uk

Your values, your bank.

So why might a charity or business like yours consider changing banks?

We can think of two good reasons. The first is the obvious one: you might want better service, from a bank that genuinely understands what you do and the kind of support you need.

The second is to do with values. If your organisation is based on a desire to make a difference, you may very well feel that your bank is out of step with you. (And you probably prefer not to think about some of the activities it's funding.)

On both counts, it's time you moved to Triodos. Put simply, our values are your values. Our mission is to make money work for positive social, environmental and cultural change. And because we work exclusively with organisations who share those goals, we have a unique understanding of the services and support they need in order to flourish.

In short, Triodos is a truly sustainable banking option.

A completely sustainable range of services

Everyday Banking. Including current accounts and internet banking.

Savings. A choice of accounts offering a healthy return and ethical peace of mind.

Lending. Including terms loans, working capital loans and overdrafts.

Capital. The funding you need to grow, from raising money through public offers to venture capital funds.

Personal Banking. Whatever you're saving for, our range of accounts will help you get there ethically.
