

Triodos Sustainable Equity Fund

KR-cap

Factsheet December 2018

Risk and Reward Profile

Triodos Sustainable Equity Fund aims to generate positive impact and competitive returns from a concentrated portfolio of equities issued by large-cap companies offering sustainable solutions.

We select companies for their contribution to our seven sustainable transition themes. Through integrated financial and sustainability analysis we identify the drivers of a company's long-term value creation and assess the impact of ESG materiality on these drivers. Additionally, the companies we invest in must comply with the Triodos strict minimum standards.
