## Interest rates for personal savings accounts

---

Triodos Bank interest rates are 'gross rates', and 'Annual Equivalent Rates' (AER). The gross rate is the contractual rate before any tax is taken off. AER shows what the interest rate would be if interest was paid and compounded once each year. Tax free is the rate of interest payable where the interest is exempt from income tax. The favourable tax treatment for ISAs could change.

Interest rates are variable unless otherwise stated.

We may change the interest rates on your account with us. Please see our Terms and Conditions for our personal savings accounts for more information.

Interest is calculated daily, and paid six-monthly on 1 January and 1 July on all accounts except where otherwise stated.

For more details on these accounts, and their terms and conditions, visit our website at [www.triodos.co.uk](http://www.triodos.co.uk), or call on 0330 355 0355.

**Rates effective from 27 February 2025 except where otherwise stated.**

Figures in bold represent Gross /tax free.

The bottom figures are Annual Equivalent Rates (AER)

## Everyday Savings
