# Part 1:

## General Terms and Conditions

---

### 3. Changes to these terms

From time to time, we may change our Agreement with you, including these Terms and Conditions and the Tariff. This may happen for the following reasons:

- If the change is to your advantage – this includes changes which clarify or simplify these Terms and Conditions or which make them fairer in any other way
- To improve or update a product or service we provide to you
- To remove a product or service (for example where it is not being used)
- To reflect changes in our systems or processes
- To reflect changes in applicable laws or regulations
- To change the interest rates or charges applicable to your Account or introduce new charges to reasonably reflect changes in costs (brought about, for example, by an increase in our costs of funding or a change in law or regulation)
- To reflect changes to industry guidance or market conditions such as changes to the Bank of England Base Rate, money market interest rates or the cost of money we lend
- To reflect changes relating to our business model, policies, operations or viability
- To reflect any event beyond our reasonable control

- To reflect any other change that affects us, if it is fair to pass the impact of the change on to you.

If we make any change to these Terms and Conditions or Tariff we will tell you two months before we make the change

If we tell you in advance about a change and we do not hear from you, we will proceed on the basis you have accepted the change. If you do not want to accept a change, you can end your Agreement with us and close your Account by telling us that you want to do so before the date that we have told you the change will take effect. We will not charge you anything if you decide to end your Agreement with us and close your Account for this reason. You will still have to pay any outstanding charges incurred while using the account.

We will tell you about any changes by post, email or secure message using the most recent contact details you've provided.

### 4. Security

It is important that you keep your Security Details safe and secure. This is essential to help prevent fraud and protect your Account. Please make sure you do the following:

- Keep your computer secure by making sure you maintain up-to-date anti-virus and spyware software on your computer and use a personal firewall. If you use a public computer (for example, in an internet café or library), you should ensure you do not leave any personal details stored on that computer once you have finished using it
- Keep your Security Details secret by taking steps including (but not limited to) the following precautions:

- (1) Memorise and destroy any Security Details we send to you immediately after you receive them
- (2) Never give your Security Details to any other person
- (3) Take reasonable care to ensure that no one can see your Security Details when you use them.

- Be very wary of emails or calls asking you to reveal any personal security details. Neither we, nor the Police, will ever contact you to ask you for your digipass PIN, Card PIN, Card number or mobile banking passcode information. If you are unsure a call is genuinely from us, you can call us back to verify that it is. If you provide your Security Details (including your PIN) to anyone you may be responsible for any losses on your Account
- Always access our Internet Banking site via the triodos.co.uk site or by typing the address into your web browser. We will never send you an email with a link through to our Internet Banking site
- Follow any further security advice we may offer from time to time on our Website
- Visit [www.banksafeonline.org.uk](http://www.banksafeonline.org.uk) for more useful information.

Please remember that online communications are not secure unless the data being sent is encrypted. We cannot accept any responsibility for any emails accessed by a third party and/or corrupted before reaching us.

You must take the following steps to safeguard your Card and Security Details:

- Sign your Card as soon as you receive it and memorise and delete your PIN notification
- Tell us as soon as possible of changes in your contact details to ensure future

dispatches of Cards or Security Detail notifications do not go missing

- Do not write your Security Details down or record them in any recognisable form
- Change your PIN and other passwords on a regular basis. Please avoid using a number or password that is easy to guess (for example, "1234" or your date of birth)
- Please shield the PIN from sight when using your Card to make purchases using a Chip and Pin machine or at an ATM
- Take reasonable steps to stop anyone else using your Card or Security Details. Never share your Card or Security Details with anyone else
- Keep your Card in a safe place at all times and do not leave it in a place where it may attract the attention of thieves
- Do not allow the Card to be taken out of your sight (for example, in a bar or restaurant)
- Take care of your Card – if it is worn or damaged it may not be recognised by a Chip and Pin machine or an ATM
- Keep receipts and statements safe and make sure that when you dispose of them, you do so in a secure manner (for example, by shredding them)
- Other than when making purchases over the internet or phone, never disclose your full Card number or three digit number on the back of your Card (CVC code).

We will never ask for your digipass number, PIN or mobile app passcode whether by email, letter, SMS or phone. You should never share this information with anyone in any circumstance.

You must contact our Customer Support Team immediately on 0330 355 0355 (if calling from the UK) or +44 (0)1179 739339 (if calling from abroad) in the event of any of the following:

- You've lost your Card or suspect it has been stolen
- You've lost any of your Security Details or think they have been stolen
- You think someone else may be able to use your Card or Security Details or knows your Security Details.

Once you have contacted us:

- We will immediately block your Card and/or Security Details for any future use, and issue you with a new Card and/or Security Details
- You must provide us with any information you have about the loss or theft and report it to the Police if we require it. We may also give the Police or any prosecuting authority information we believe may help recover funds or prevent further losses
- If you find your Card after reporting it as lost or stolen do not use it. Destroy your Card immediately by cutting through both the magnetic stripe and chip.

If you cannot find your Card you can put a temporary block on it by texting TRIODOS LOCK, followed by your six digit access code, followed by the last four digits of the sixteen digit number on the front of your card to 57887 (for example, TRIODOS LOCK 123456 1234). Your access code and the last four digits of your card number can be found in Internet Banking. This block can be lifted if the Card is later found in a safe place.

If you see a payment on your Account that you don't recognise or see a payment on your Account that is not correct, you should contact us as soon as possible using the contact details above.

## 5. Liability

If you authorised a Card payment or any other payment from your Account, you will be responsible for it.

Where you tell us a payment from your account was not authorised by you, you can ask us for a refund. However, you must notify us as soon as possible and no later than 13 months after the debit date. After this time we will not be able to issue a refund.

If you tell us that we have made a payment incorrectly (for example, we send it to the wrong account or for the wrong amount), we will refund you as set out below, unless:

- The payment instruction you gave us was not correct. In this case, we will make all reasonable efforts to recover your money, but we may charge you a fee for doing so
- We can show the payment reached the account it was intended for in accordance with your instructions
- If your Card or Security Details were used by someone else without your permission to carry out unauthorised or fraudulent transactions, including if your Card was used after it was lost or stolen, you may have to pay up to £35.

We will refund the full amount of the payment (minus £35 where applicable) no later than the following Business Day after you notify us and put your Account into the condition it would have been in had the payment not been taken. This will include repayment of any interest or charges incurred directly as a result of the payment in question.

You will be responsible for losses incurred on your Account up to the point that you tell us about the unauthorised use of your Account, if you have deliberately or with gross negligence:

- Failed to keep your Card or Security Details secure as outlined above
- Failed to tell us as soon as possible that your Card has been lost or stolen
- Disclosed your Card or Security Details to any third party.

We will not refund any payment from your Account where:

- We can show that the payment was properly authorised by you
- You acted fraudulently
- You were aware that your account had been compromised at the time that the payment was made and you failed to tell us, except where you were unable to notify us due to our service provision. This refers to situations where our contact services, such as our phone lines or email are unexpectedly unavailable or times outside of our standard service provision.

If you make a payment in error and we are unable to recover your money, we will provide you with all relevant information to enable you to try to claim repayment of the funds. You need to request this information in writing.

The Digipass will always remain the property of Triodos Bank UK.

For more details specific to card transactions, please see section 19.

## 6. Prevention of Fraud

We will analyse your spending patterns and those of similar customers on an anonymous and collective basis. We will also use external data to identify where a payment from your Account appears not to have been authorised by you.

In the event that a suspicious payment is identified, we will attempt to contact you by text message asking you to call us to confirm that you have authorised the payment.

Unless and until you confirm that the payment was in fact authorised by you, we will block your Card.

If we block your Card permanently, a replacement Card with a new 16 digit Card number, and three digit number on the back of your Card (CVC code) will be issued and sent to you. We will send you a new PIN separately. You should destroy your old Card by cutting through the magnetic stripe and chip.

If we block any of your other Security Details, we will contact you as soon as possible to arrange for them to be reset or new details resent to you.

We may also stop the use of your Card and/or Security Details when we reasonably believe that it is necessary to protect your Account. We may also do this if you have taken out an overdraft and we have reason to believe there is an increased risk that you might not be able to pay back the money you owe us. Where possible, we will tell you in advance that we intend to stop you using your Card and/or Security Details and explain our reasons why.

## 7. Deposit guarantee scheme

Triodos Bank UK Ltd is covered by the Financial Services Compensation Scheme (FSCS). The FSCS pays compensation to eligible depositors if the bank is unable to meet its financial obligations. Most depositors are covered by the scheme. For joint accounts the limit applies to each depositor.

## Part 2:

# Current Account Terms and Conditions

## 10. Applying for an Account

### 10.1 Eligibility criteria

To apply for a Triodos Current Account, you must meet the following criteria:

- Be aged 18 or over
- Be a UK resident - including British Forces Post Office addresses
- Not be subject to any County Court Judgments
- Have not filed for bankruptcy or entered into a Debt Relief Order or an Individual Voluntary Arrangement in the last five years.

This Account can only be opened by individuals and should not be used for business purposes. You can open this Account using a Power of Attorney or Court of Protection Order. Please contact us for details of how to do this.

Our approval of your application to open an account with us is subject to credit checks (where relevant) and legal and regulatory checks.

## 11. Overdrafts

### 11.1 Arranged overdrafts

If you want an arranged overdraft on your Account you must complete an application and submit it to us. You can apply online when you apply for the account or by calling us once your account is up and running. We will carry out searches with credit reference agencies in order to assess your application. Please refer to our Privacy Statement available on our website for more details.

The Terms and Conditions that will apply to your arranged overdraft will be set out in the Credit Agreement sent to you when we approve your request for an overdraft or, if you apply over the phone, abbreviated Terms and Conditions will be read to you and full Terms and Conditions will be sent to you after your arranged overdraft has been approved.

### 11.2 Unarranged overdrafts

We do not provide unarranged overdraft facilities. If you try to make a payment without sufficient available funds in your Account, the payment will be declined where possible. There are exceptions to this, such as some Card payments where authorisation isn't sought by the retailer, continuous authority payments and manual Card payments that cannot be declined.

Interest will be charged on any unarranged overdraft that you do use at the same interest rate as an arranged overdraft facility. Details of this rate can be found in the Tariff.

### 11.3 Overdraft interest

Overdraft interest will be calculated on a daily basis and charged monthly to your Account. You will be notified of the charge in your monthly statement and the payment will be taken from your Account 14 days after the date of your statement.

All overdraft facilities are repayable on demand. This means that if we ask you to, you must repay the whole overdraft straight away. Where you owe us money and we have sent you a final demand notice, you must pay back the full amount outstanding within the timescales stated to prevent a default on your Account. Any defaults will be reported to credit reference agencies and your credit rating is likely to be affected.

If you owe us money, we may use any money you hold in other Accounts with us to reduce or repay any amounts you owe. In this situation each case will be assessed on an individual basis to check that the funds are suitable for us to take before doing so. If we do this we will notify you by letter or secure message.

When Refusing a payment due to lack of funds you may be charged an Unpaid Item fee. Details of the current Unpaid Item fee can be found in the Tariff.

## 12. Joint accounts

As joint Account holders these terms and conditions apply to you both individually and jointly.

We are entitled to accept the authority of any joint Account holder to give instructions on behalf of all other Account holders relating to the Account until any authority is cancelled or treated by us as cancelled.

If any one of the joint Account holders tells us of a dispute between you, we may treat this as notice of cancellation of the authority of any single joint Account holder. If we do, any further transactions may require that those transactions are authorised by all Account holders.

In the event of the death of either of you, any money in the Account will belong to the survivor, subject to any rights we or a third party may have, and the joint Account will be converted to a sole Account.

We may make Account specific information about a joint Account available to any other joint Account holder on that Account. Statements will be sent to both Account holders.

You will each have joint and several liability for any arranged or unarranged overdraft

on your joint Account. This means that if any outstanding balances are not paid when they are due, we can pursue either or both of you to repay the total amount owed to us.

## 13. Payments

### 13.1 Payments into your Account

Once your Account is open, you can make payments into your Account:

- By instructing another bank or building society to make an electronic transfer from your Account with them to your Account with us
- By setting up a Standing Order through another bank or building society
- By CHAPS, an electronic same-day payments system, within the UK
- By Receiving money from outside the UK as an international transfer from other countries. Please ask for further details
- By sending a cheque in the post with a paying-in slip or letter using our Freepost address (Freepost TRIODOS BANK). Please do not send cash by post.

For further details on payment timescales please see the 'What you need to know' document we provided when you opened your account. This is also available on our Website.

### 13.2 Payments out of your Account

All payments out of your Account, apart from cheques, cash withdrawals and debit card payments, must be made through Internet Banking or Mobile Banking. We do not offer telephone or postal banking on this account.

When you tell us to make a payment, you must make sure that your instructions are clear and complete. You should always double check the instructions you give to us are correct.

We will take from your Account:

- All payments authorised by you, including withdrawals made using your Card and cheques that you write
- Any cheques you pay in that are later returned unpaid
- Any deposits that have been paid into your account in error
- Any interest, fees and charges due, including any applicable overdraft interest. See the Tariff for more information.

You can make payments from your Account as long as there are enough available funds to cover the payments. In calculating available funds we will take into account any other payments that we have paid or agreed to pay from your Account that day or that have been authorised to be paid that day.

Limits apply to the amount you can withdraw from your Account each day. For more details of these limits, as well as payment cut-off times and when funds will be available, please refer to the 'What you need to know' document provided on our website and when you apply.

### 13.3 When might a payment not be made?

If you try to make a payment without sufficient available funds in your Account, including any arranged overdraft facility, the payment will be declined. However, there are some exceptions to this. These are detailed in the Unarranged Overdraft section (section 11.2) in these Terms and Conditions.

Payments may be checked before being made in line with our legal and regulatory obligations to help prevent fraud and financial crime. Sometimes this might result in payments being held or delayed. We will not be liable for any losses you

incur as a result of us complying with our legal and/or regulatory obligations.

We may refuse to carry out an instruction from you to pay money into or out of your Account if we are not reasonably satisfied that the proposed transaction complies with applicable laws and regulations.

If we do not make a payment that you have asked us to, we will inform you and provide the reasons why unless it is unlawful for us to do so. If we are unable to make the payment because of a factual error in your payment instructions to us we will tell you how to correct that error.

## 14. Statements

You will receive your statements monthly via Internet Banking. You will be sent an email notification when your statement is ready to view. To view your statement, log into Internet Banking and click on statements under the Account Information tab. Statements are available in pdf and will be available in Internet Banking until 12 months after your account has been closed.

Your statement will also notify you of any overdraft charges that are due to be paid in the month.

## 15. Dormant and nil balance accounts

If you do not use your Account at all for 12 months after it was opened and there is a nil balance, we will close it. We will tell you that we are planning to close it before it is closed. When we tell you, we will explain why your Account is being closed and what you can do to prevent it being closed.

We may suspend operation of an Account that has been inactive for a period of at least six months. We do this to protect you and to prevent fraud.

If you have money in a dormant Account, it will always be your property no matter how many years pass. If you die, it will become part of your estate.

## 16. Closing your Account

You can close your Account at any time by either writing to us or sending us a secure message through your Internet Banking facility. Additionally, you have the right to cancel your Agreement with us within 30 calendar days, starting on the date that your Account was opened. If you want to cancel your Agreement with us you should tell us by writing or calling us.

We can terminate your Agreement with us and close your Account by telling you in writing at least two months before we intend to close your Account.

If you seriously or regularly break the terms of our Agreement with you (including these Terms and Conditions), we may end the Agreement immediately and close your Account.

We will also be entitled to end this Agreement immediately and close your Account if we reasonably believe:

- You might cause us to breach any law, regulation or code
- You have committed, or attempted to commit, fraud against us
- Any information you have provided to us in relation to your Account is false
- You are using or have used your Account for criminal or otherwise illegal purposes
- You have allowed someone else to use your Account inappropriately.

## Part 3: Card Terms and Conditions

---

### 17. Introduction

You will be issued with a Card and a PIN to make payments from your Account. These Terms and Conditions apply to the use of your Card. Your Card remains our Property. We may suspend or withdraw the right for you to use your Card and PIN with immediate effect, and require it to be returned to us. We may do this when:

- You use or have used your Card for illegal purposes
- Your Card is being used by someone else
- We reasonably believe that the security of your Card or PIN may have been compromised
- You are not using your Account in accordance with these Terms and Conditions.

We will tell you that we have suspended or cancelled the use of your Card by letter, text message or secure message via your Internet Banking, unless there are legal or regulatory reasons that prevent us from doing so.

### 18. Making payments

You can withdraw cash from your Account at any ATM displaying the LINK or Mastercard logos and at any retailers offering cashback.

We will not charge you for withdrawal of cash in the UK. However, some ATM operators do impose a charge. You should always be informed of this before the transaction is completed.

You can also use selected ATMs to change your PIN, view your balance or top up a prepaid mobile phone.

You can use your Card to make purchases at retailers displaying the Mastercard logo.

You will usually be asked to enter your PIN into the retailer's keypad, but may also be asked to sign a sales voucher or may elect to tap your Card on a contactless reader.

You can make purchases over the phone or internet by providing your 16 digit Card number, expiry date and three digit number on the back of your Card (CVC code). When making purchases on the phone or Internet you may be asked to provide additional identifying information. This should be limited to your name, address and postcode and any password provided for Mastercard® Identity Check™ in addition to the information above.

You should never provide any other information about your Account or any Security Details. If you reveal any of your Security Details, you may be liable for any payments made out of your Account without your authorisation.

We will refund pre-authorised payments (you may do this, for example, when making a hotel reservation) in the event the person you pay did not tell you the amount of the payment when you authorised it and the amount taken was more than you could reasonably expect to pay (taking into account your ordinary use of your Account). You must request a refund within 8 weeks of the payment being charged. We may ask you for more details about the circumstances in which you authorised the payment before we agree to refund your Account.

We will not refund you if you gave consent directly to us to make the payment or where details of the payment were made

available to you at least four weeks before the payment was made.
